

Truck Overturned

Foster Robinson Of North Warren Badly Injured On The Union Road

Foster Robinson, 17, son of Mr. and Mrs. Clifford Robinson of North Warren sustained a broken right leg near the hip, and cuts about the face late Monday afternoon, in an automobile accident on the western road to Union, and near the North Pond road. Apparently, the light truck, which he was driving struck an icy rut at that point, and overturned.

Norman Ahlholm, son of Mr. and Mrs. Kustaa Ahlholm of North Warren passenger in the truck, was unhurt.

The two were enroute to their homes from the high school at the time. The Robinson boy was taken to Knox Hospital by Dr. Fred G. Campbell.

The truck was damaged.

The Man Who Traveled 346,000 Miles In His Old Motor Car

Up in Maine they have to travel to get business and when we say "travel" we mean cover a lot of distance. Here's a quote from "The Black Cat" column in The Rockland Courier-Gazette:

"An Owl's Head man invested yesterday in a new DeSoto car and was well pleased with his purchase. Yet he has a sigh of regret when he parted with the one which has been his steady companion for 10 years, and in which he has traveled 346,000 miles."

The Owl's Head man is none other than Riley F. Strout, stellar producer for W. W. Morse Agency. An average of 34,600 miles a year should be an inspiration to men who work in congested areas.—From the Federal (Insurance) Record.

Lead pencils were first used in England about 1560, after the discovery of the Barrowdale graphite mine. The first molded pencil leads, crudely like ours today, were made in 1795.

Carl Coburn Of Rockland Receives Promotion From Maritime Oil Company

Carl E. Coburn

Carl E. Coburn, 58, of Shaw avenue, Rockland was recently promoted to supervisor of company operated filling stations by the Maritime Oil Company. The promotion comes as a reward for 10 years of accident free driving of the tractor-trailer tankers of the company in this area. During the period, he logged 310,000 miles. No complaint has ever been lodged against him as a truck driver while there have been commendations for courtesies extended other drivers in trouble on the highway.

Coburn entered the employ of the company when it was first opened in this area 10 years ago last June and has driven all types of trucks operated by the firm.

He was first tank truck driver to carry water into the Bog fire area in the Fall of 1948. He loaded his big truck from a Main street hydrant at the foot of Spring street shortly after the fire broke out and the Fire Department called for all possible aid from tank truck owners.

McLOON MAKES HISTORY

Bowled 75 Candlepin Strings Yesterday, One For Each Year Of His Age

Ex-Mayor Albert C. McLoon, veteran bowler and sportsman in general over a long and busy lifetime, rolled a total of 75 strings at the Community Building alleys Wednesday in observance of his 75th birthday.

The superhuman task which faced him when he hurled the first ball down the alley at 8:30 a. m. did not worry him in the least and he was still going strong when the last ball of the 75th string left his hand and headed toward the pins at 11:15 p. m.

In the hours between the start and finish of Rockland's longest continuous bowling stunt, he had acquired a certain measure of fame and had drawn a large crowd of spectators as the word got around that "A. C." was rolling a string for each year of his age.

Radio newscasters and Associated Press picked the story up and sent it nationwide as the sports stunt of the day.

McLoon stopped for lunch at 11:30 and resumed rolling at 2 p. m. and rolled until shortly after 6 p. m.

When he had accounted for 63 strings, a venison supper, and a rest period necessitated by the scheduled bowling matches for the evening at the alleys, held him up until 9:30 when he returned to whip out 15 more strings and set a record locally, at least, for a single day's rolling.

He averaged 87.75 for the 75 strings and made 80 spares and three strikes. The task necessitated throwing 2,164 balls which netted a pinfall of 6656.

At 4:30 in the afternoon, the Texaco bowling team, of the Community League, of which he is captain, and the building staff presented him with a birthday cake, which was presented by City Council Chairman Osgood Gilbert. In the party making the presentation were City Manager Farnsworth, Chamberlain of Commerce President Fred G. Gatlcombe and McLoon's son John and grandson Billy.

He is up and about this morning, spending the usual busy day supervising the waterfront activities he heads; none the worse for his trying day of yesterday.

KNOX LODGE

Knox Lodge, I.O.O.F., was host to the District Deputy Grand Master Benjamin Garrett of Kennebunk, Me., and District Deputy Leon Poland of Camden last Monday night. The supper was put on by the Rebekahs under the co-chairmanship of Blanche Fales and Addie Brown. Knox Lodge worked the third degree on two candidates from Mt. Battle Lodge, and one from Tenant's Harbor Lodge. Nelson Glidden and Lloyd Jameson of Knox Lodge showed moving pictures of the Odd Fellows' picnic and other interesting events. The meeting was climaxed by a splendid talk on Odd Fellowship by District Deputy Grand Master Benjamin Garrett. Albert MacPhail, Sr., was appointed chairman of the special committee to arrange for distribution of Christmas baskets to shut-ins and sick brothers. Knox Lodge will have a Christmas party Dec. 19, at I.O.O.F. Hall at 7:30 p. m. All members please bring a joke present. More details on Christmas party later.

A WARREN BOY QUALIFIES

Gilbert A. Boggs

Midshipman Gilbert A. Boggs, USN, took off and landed his SNJ "Texan" trainer six successive times recently aboard the USS Cabot, cruising in the Gulf of Mexico, to qualify in aircraft carrier qualifications.

Gilbert, son of Mr. and Mrs. Edwin K. Boggs of Warren, graduated from Warren High School in June of 1946.

He entered the Navy V-5 program in May, 1946, and attended the University of Maine where he studied business administration and obtained requisites needed for service as an officer in the US Navy.

He reported to Pensacola, Florida, "The Annapolis of the Air", and has completed a stringent schedule in military, academic physical and flight training.

From Pensacola he went to Advanced Training at Corpus Christi, Texas where he is undergoing a four month syllabus in service type aircraft. Graduation from advanced training will win him the coveted Navy Wings of gold.

He will then be sent to some fleet unit for duty and serve as an officer and aviator in the United States Navy.

HIT LIGHT POLE

A 1939 Chevrolet sedan operated by Robin Wellman, 17, collided with a white way light pole on Park street about 11 p. m. Wednesday. Wellman reported to police that his car went into a skid and struck the pole head on, while out of his control due to the slippery highway surface. The car was damaged about the front end and the pole demolished.

One bitten by a King Cobra will die within half an hour.

Francis Merchant, Formerly Of Rockland, Is An Architect In California

Francis O. Merchant, formerly of Rockland, is now established as an architect in California, operating his business in Long Beach.

The past three and one-half years, he has been with California firms designing schools on the West coast and opened his own office in August.

Following graduation from Rockland High School in 1926, he attended New York University and Massachusetts Institute of Technology. He was for several years with the Boston engineering firm of Stone & Webster as an architect.

During the war years, he was engaged in the designing and construction of the atomic bomb plant at Oak Ridge, Tenn., for the Boston firm, under the Manhattan Project.

He is a member of the national organization of architects and of the Maine, Massachusetts and California societies.

He is a son of the late Albert Merchant and has a brother and sister, Donald and Beverly Merchant living here.

THE BLACK CAT

By The Roving Reporter

"A fine trip down with very little bother from traffic" writes Kelley B. Crie, who, with Mrs. Crie is co-sily located for the Winter at West Palm Beach, Fla. "Rain the last day and rather chilly thereafter. Like Summer now." Meantime Nate Frank, George, Jack et al are keeping the home fires burning at The Thorndike.

If you are a sky-gazer you are watching the planets Venus and Jupiter, now in conjunction with Southwestern heavens for a short while after sunset. How far apart are they and how large the moon. Always good subjects for debate.

Here's hoping that Uncle Sam is a little more generous with sand for the Post Office sidewalks this Winter. There's no more dangerous walking in the whole city.

One year ago: The municipal election was marked by the lightest vote in the city's history. Carl M. Stilphen, James M. Pease and Blaine P. Merrill won the only contests.—Rockland had the finest display of Christmas lights in many years.—Luigi Venezia, local photographer, was killed in a motor accident near Freeport—Jethro D. Pease, former deputy sheriff died in Hope, aged 64.—Rev. Charles Bennett of St. Bernard's Church delivered the eulogy at the Elks Memorial service.—Deaths: Warren: Rodney McIntyre, 76; Portland, Roy Lowe of Rockland, 45; Hector Brown Tyler, formerly of Rockland; Rockland, Mrs. Harry S. Beans And Boosters

The Public Supper Saturday Night Will Benefit High School Athletics

A public baked bean supper will be served, in the Odd Fellows Hall, Saturday night, from 5 to 7 p. m. This is for the benefit of the Booster Club and every cent of profit will be spent on some school project. Several projects are being studied, as to their relative merits, and as soon as these are reviewed at our next meeting, they will be released and work started on them.

Rockland High School is going through a period of building. Sports run in cycles, one to three years of good teams, then, through graduation or other causes, the team is broken up and has to be rebuilt with inexperienced players.

The Booster Club in co-operation with the athletic staff of our schools, is trying to build athletics from the fifth grade up, through Junior High. The varsity basketball team this year is composed largely of J.V. players of last year, and the experience thus gained will be a valuable asset the entire season.

Your support of this supper and any project planned by the Boosters, will go a long way toward making some child a good student and athlete, who otherwise might not have a chance.

Ernest P. Jones, Chairman Publicity.

WE'RE STILL TRYING

Although several Massachusetts cities and towns profess to have been spotted as the site for the proposed steel mill, Maine has not abandoned hope. Every major steel company in America has been contacted, according to Gov. Payne, and full and complete information as to the State's advantages has been made available. "I have personally conferred with some of those concerned with the possibility of a steel plant along the Atlantic Seacoast," says Gov. Payne, "and I intend personally to do everything possible to see to it that Maine's advantages are as well presented as those of any other section."

CLOSE TO THE RECORD

Maine's deer kill this year was 24,936, and although game officials had predicted a considerable decline it is only 339 smaller than last year's all-time record. The figure was an estimate based on wardens' reports, but Commissioner Stobie said the audited figure will vary little from the estimate. Eight of Maine's 16 counties showed gains over last year, while the principal losers were Washington, Hancock and Penobscot counties, in eastern Maine. Increases were shown in Aroostook, Piscataquis, Somerset and Franklin counties in northern Maine and York, Cumberland, Oxford and Androscoggin in the south and southwest.

REPUBLICANS SWEEP WATERVILLE

The overwhelming victory won by the Republicans in Monday's municipal election in Waterville must have had a severely dampening effect upon the hopes of the Democrats who are laying so much stress upon their activities the present year. Waterville was formerly a solidly Democratic city, but Monday went Republican for the fifth consecutive year, the G. O. P. electing five of the seven aldermen, and 10 of the 14 councilmen.

HONORS FOR LINDBERGH

Charles A. Lindbergh has been chosen to receive the Wright Brothers Memorial trophy for "significant public service of enduring value to aviation in the United States." The National Aeronautic Association announces today selection of the "Lone Eagle" for the honor by a group of officials of aviation organizations. The award will be presented Dec. 17 at the annual Wright Brothers Memorial Dinner, sponsored by the Aero Club of Washington. Lindbergh has been so inconspicuous for several years that it is refreshing to note that his ability in aviation circles has not gone unnoticed.

Excellent Production

Roto Dauntless Matador Twisk, a registered Holstein-Friesian cow owned by Round Top Farms, Dan-ariscotta, has completed a 316-day production test of 625 pounds of butterfat and 17,735 pounds of milk made in Herd Improvement Registry. Testing was supervised by the University of Maine in co-operation with The Holstein-Friesian Association of America. This cow was milked twice daily and was four years three months when she began her test period.

ROCKLAND Film Council

The monthly session was attended by a number of guests of the Film Council to witness the two vital pictures "Children in Trouble" and "Families First." The two pictures are both very worthwhile, but the second is longer, and presents a more positive story. The added advantage in regard to that film is that we can secure a print of it from Orono, the Audio-Visual Service of the School of Education of the University of Maine more quickly than ordering from Albany, N. Y., where the two films came from last week. The print "Children in Trouble" is now available from Orono.

The Film Council is in the process of booking a film for the centenary celebration of the York Rite Masons later in December.

An interesting sidelight of the decision of South End PTA to buy a projector when they have the money raised is that it is not to be loaned. A projector is an expensive piece of equipment and will wear much better if not moved about too much. However, few organizations have the money to spend for renting the machine plus paying charges on a film. Hence it is important that as soon as possible the Rockland Film Council acquire a projector which will be available for the organizations of the city. The month of February will be the next money-raising date, with the Council sponsoring a Theatre Guild presentation.

Information has just come in regard to four films available through the Maine Civic League on temperance. These are available with only return shipment charges required.

Customers' Corner

The anti-trust lawyers who want to put A&P out of business don't like our low price policy. They say we use it to drive competitors out of business.

Actually, as every customer knows, our low price policy is designed to do just one thing: Give you more good food for your money.

Here are the facts about our low price policy:

1. We keep our profits at a minimum. They averaged less than 1 1/2 cents on each dollar of sales during the past five years.
2. We have for years had a strict policy against low-cost selling.
3. We do not have any "weekend specials" but feature low prices the whole week long.
4. We charge the lowest practical prices every where we operate.

That is why we say, regardless of where you live, you will save money week in and week out by doing all your shopping at A&P.

The Weather

The almanac says "milder" for today; the radio says "fair and colder." You pay your money and takes your choice. The city snow-plow had a practice run yesterday.

A chimney fire in Rankin Block Tuesday found the aerial ladder a handy implement of the Fire Department. Rather than having to sound an alarm to gather enough men to raise the old-fashioned 50-foot wooden ladders, as has been the case in past years, the aerial put a man and a hose line within reach of the chimney in a matter of minutes. There was no property damage involved.

About 175 University of Maine students will take part in the annual Christmas Vespers in the University's Alumni Memorial Gymnasium next Sunday at 4:15 o'clock. Participating in the program will be the University Symphony Orchestra and Glee Club. Prof. Lewis Niven will conduct a brass ensemble and combined groups; A. Stanley Cayting, the orchestra; and James Gordon Selwood, the glee club. Joseph Libbey, Bangor, will be concertmaster. Accompanists for the Glee Club will be Philip Pendleton, Camden, and Barbara Downs, Bangor. Those taking part from this area are: Glee Club, Barbara Venner, Thomaston; Osmond Palmer, Rockland; Robert Gascoigne, Thomaston.

Why not plan to go to Odd Fellows Hall, Saturday, December 10, from 5 to 7 and have Baked Beans and Brown Bread? Only fifty cents. Have a good supper and benefit the "Booster Club" at the same time.

Knox College Business Students Listen To Address By Farmers' Exchange Man

Herbert Tracy of Gardiner, district representative of the Eastern States Farmers' Exchange, spoke before the assembly of Knox Business College Tuesday. He gave a clear, concise picture of the background and operation of this organization of 85,000 members.

From a rather modest beginning in 1922 in Springfield, Mass., the Eastern States Farmers' Exchange has grown steadily through the years. Today it owns and operates a number of feed and fertilizer mills including one in Buffalo, which lays claim to being the largest feed mill in the world. In addition to serving farmers from Maine to Maryland as a purchasing co-operative, the Exchange is constantly striving, in research laboratories and field stations, to improve the quality of its products and to develop new farming methods. Its ever-increasing membership is the best measure of its success in all its endeavors.

New entries Dec. 1 were Charles Curtis and Elmer Gamage, both of Rockland.

Elmer W. Freeman Was Captain Of Sail and Steam—Harbor Master For Years

Capt. Elmer W. Freeman, 67, died Tuesday in a New York Hospital where he had been a patient for three weeks. He was born in Rockland, March 2, 1882, son of John H. Freeman and Mabel Larabee.

In his younger days, he was captain of several coastwise schooners sailing out of Rockland. Later he operated the steam lighter Radium in conjunction with Charles E. Bicknell. Following this he captained the steam lighter Sophia for the Snow Marine Company. He was also harbor master of Rockland for many years. He retired from active duty in 1930 due to ill health.

Capt. Freeman resided at 5 Linden street, Rockland until 1946 when he moved to Thomaston.

Private funeral services will be held at 2 p. m. Friday from the Davis Funeral Home Thomaston, with the Rev. Leach of the Federated Church officiating. Interment will be in the village cemetery.

Survivors are his widow, the former Nettie Upham of Thomaston; one daughter, Leah Davis Brooks of Thomaston; one son, Charles Bicknell Freeman of New Britain, Conn.; two grandsons, Robert J. Davis of San Antonio, Tex.; and William M. Freeman of New Britain; one granddaughter, Linda Ellen Brooks of Thomaston; one sister, Mrs. Louise Clark of Marlboro, Mass.; two half brothers, John Freeman of Rockland and Ronald Freeman of Camden; two half sisters, Mrs. Gertrude Dunbar and Mrs. Elizabeth Lindsey both of Camden.

Hear a Strong Address By Edwin Donovan—Santa Coming Dec. 21

Edwin Donovan was again the speaker Wednesday, introduced by Bob Kerschner. His subject was: "The True Philosophy of Government." He said, in part:

Today, Dec. 7, brings back to memory what happened a few years back. Because of what happened to our country on this date, we owe a great debt to our youth who preserved our rights and freedom from oppression and we still have the opportunity to convene today as free American citizens. Let us stand for a moment of silence for those who are gone and those who are still in our hospitals.

Communism is made up of half truth and half hate. Communism is brought about first by revolution and force. The philosophy of Marx was essentially good and not all bad, but his ideals were perverted by Lenin and Stalin. There was philosophy in one sense and force in the other.

Some methods used to spread communism are sabotage and organization of labor unions. Much appeals to those that have nothing and they are told to join us and you will have plenty. Once we fall for this trickery we will never be free again.

The United States is often criticized for all we have done in our liberal helps and hopes to others less fortunate. It is like the rich man being surrounded by those who have less that are jealous of what he has. The more we give, the more we are expected to give. A good liberal should not think the United States should always give more. There should be a line drawn.

We have got to learn to understand and think. What we must know about communism, we must read and think and not just read only newspapers, etc., and dogmatically draw conclusions and say, I am right. Just denouncing communism will never do communism any harm. Groups picking out evil never helps. We have got to understand the inequities and injustices and try to reduce or eliminate them. The greatest level of prosperity the world has ever known is taking place in the United States today.

Our capitalist system can be just as evil and inhuman if carried to extremes.

Our taxes are going to weaken us because of the staggering proportions to which they are mounting each year.

We Americans since the war have forgotten how to make firm decisions. We have lost contact with reality. Do you believe what you profess to believe in or do you only

once in a while?

Lions Club News
 Julian Leavitt, Eddie Mayo and Robert Simone, were guests this week.

A Christmas party is being planned with boys as our invited guests on Dec. 21. Santa Claus is scheduled to make his appearance at the meeting.

A group of Lions and their wives are going to sing Christmas Carols on Sunday, Dec. 18. A rehearsal will be held prior to this date.

Secretary Maurice Nute announced that Gerald Grant will be a candidate for District Governor. The Club is 100% behind our candidate and every effort will be exerted to help him win.

Clinton Gifford, chairman of the Lions Educational Committee reported that a meeting was held last week and the attendance was much larger than anticipated and the members were unanimous in their support of the aims of the committee.

We are very pleased to learn that Ike Hammond has returned home and is able to resume work again.

Tuesday Dec. 13 many members are going to visit the Camden Club to hear some of our members take part in a panel discussion.

Next week's speaker will be Mr. Edgar of the Maine Central Railroad.

The third quarterly meeting of the Public Health Council planned for Dec. 7 with the local chairman, Mrs. Annie Lehto, was canceled. Announcement of the next meeting will be made.

Dr. Cornelius E. Clark minister of the Congregational Church, Conference of Maine, and 20 members of the Dorcas Circle of Kings Daughters were present Monday afternoon at the meeting held with Mrs. J. Homer Nelson at the parsonage. Mrs. Anna Starrett, and Mrs. Bart Pellicani assisted in serving refreshments.

A large congregation at the union service Sunday at the Baptist church, enjoyed the colored slides exhibited by Rev. J. Homer Nelson, who showed the ruins of castles and buildings erected by Herod the Great and the site of Herod's tomb. There were scenes of modern Bethlehem, among which were the church of the Nativity, and the grotto, where Jesus was born. The shepherd's fields were seen and the modern shepherds watching over their flocks.

It was erroneously reported recently that Miss Jean Heald was a patient at Fairfield Sanitarium.

Fireside Class will hold a Christmas party, Friday night at the home of Mr. and Mrs. Irvan Spear. Assisting on the refreshments committee will be Rev. and Mrs. Lee Perry. The entertainment will be directed by Mr. and Mrs. Kenneth Reed.

The Field and Garden Unit will meet Friday at the home of Mrs. Herbert Emmons. Members will take coat hangers to be covered, and gifts and gift wrappings to prepare small Christmas gifts for Togsus. Each will take a box lunch, and Mrs. Emmons will serve coffee. "Garden Therapy" will be the topic.

by Mrs. Phillip Simmonds.

In the account of the house warming given at Thomaston, Saturday to Mr. and Mrs. Arthur Harjula the name of Mrs. Charles Lundden was inadvertently omitted from the list of those who planned and served at the affair.

Fifty-five deer were tagged during the open season at the Drewett Garage, official inspection station. The final five, not reported previously in this column were bucks for Clarence Haraden of Rockland, Reynolds Ward of St. George, Lindley Wiley and Maurice Crockett of Warren, and Louis Taylor of St. George. Deer on the average, were smaller this year.

Twenty mixed voices will sing the Christmas Cantata, "The Promised Child," to be given at the Baptist auditorium, Dec. 18, under the direction of Chester O. Wyllie. Soloists are William Smith of Thomaston, Mrs. Maurice Lermond, Mrs. Leroy Norwood and Roger Teague. The four soloists will also combine in a mixed quartet number. Accompanist will be Mrs. Chester Wyllie.

Barlow H. Wetherbee
Barlow H. Wetherbee, 77, native of this town, died Nov. 27, in Thomaston. He had been in ill health for some time.

Mr. Wetherbee was born Dec. 11, 1872, son of Alden M. and Sarah Brown Crane Wetherbee. He had learned his trade of dyer in the Georges River Woolen Mill, and later was salesman in dye stuffs, working out from Philadelphia. In this work he was most successful, especially during World War I.

He was a member of St. George Lodge, P.A.M., many of the members present at the services held Tuesday, at the Simmons Funeral Home, with Rev. Lee A. Perry officiating. The bearers were Oscar E. Starrett, Benjamin Starrett and Maurice Lindsey. Interment was in Riverview cemetery.

BUCKEY O'NEILL

Buckey O'Neill was a likable young Irishman with the cigarette in his mouth, a captivating blend of shamrock and shillalah. When he set out to do something, he did it better than anyone else. He had progressive ideas, and meant to be heard. He demonstrated his remarkable ability by leaving behind him an utterly Eastern background and training to head for Arizona. Upon his arrival in Phoenix in 1879, chugging through the dust on a burro, he was Western as cactus, and just as hard to handle. He was barely nineteen; nineteen was a man's age in this country.

Arizona's hard-bitten men looked Buckey over with care. They knew he was around when they heard a cheery, "Howdy! What's news?" And countless Arizonians were to soften beneath the warmth of that irresistible grin! Was this the reason Buckey O'Neill became the Arizona Gazette's first editor? Yes, his versatile abilities enabled him to become a court reporter, probate judge, superintendent of schools,

editor of the Hoof and Horn, and sheriff of the county.

Buckey revelled in the rough discipline of the Milligan Guards, little realizing that officering this home spun military band was the beginning of a bright new thread destined to color the entire pattern of his life. Indeed, upon it hung his destiny. A commissioned officer under Colonel Theodore Roosevelt, he was killed at San Juan Hill.

"Buckey O'Neill," by Ralph Keithley (The Caxton Printers, Ltd., Caldwell, Idaho, \$3.50), is a worth while character for a worth while book, a gripping story that will make you look off into space, then say, "He stayed with 'em while he lasted." — L. R. Fuller.

STATE OF MAINE

County of Knox, ss.

The undersigned, Selectmen of the Town of Warren in said County, and the municipal officers thereof, respectfully represent that the so-called Sandy Shores Road from the residence of Albert Hanson to the Nigger Town Road, a distance of 140 miles, is so located with reference to population, use and travel thereon, that it is unnecessary to keep said road broken out and open for travel during the months of December, January, February, March and April, or any part of such months.

Wherefore, your petitioners pray that said County Commissioners, after notice and hearing on this petition, decide whether such road shall be kept open or closed during such period or part thereof, for how many years not to exceed five such closing order, if made as prayed for, shall be operative.

Given under our hands at Warren, Maine, this sixth day of December, A. D. 1949.

MAURICE E. DAVIS,
ELBERT L. STARRETT,
Selectmen of Warren.

STATE OF MAINE

KNOX, SS.
At a regular session of the December Term, A. D. 1949, held at Rockland on the sixth day of December, A. D. 1949:

On the foregoing petition Ordered:

That notice be given as provided in Chapter 84, Section 125 of the Revised Statutes, that the County Commissioners will meet at the Selectmen's Office, Warren, on Thursday, December 15, A. D. 1949 at 2 P. M., and will hold a public hearing to hear the parties and witnesses and receive whatever evidence may be offered as to the necessity of closing such road to travel or directing that such road be not broken out during the months of December, January, February, March and April, or any part of such months, by causing part of such month, by causing notices to be posted in two public places in Warren in said County and publishing the petition and this order thereon in The Courier-Gazette, a newspaper published in Rockland in said County at least seven days before December 15, 1949, that all persons interested may then and there appear and show cause, if any they have, why the prayer of the said petitioners should not be granted.

MILTON M. GRIFFIN,
Clerk.

DON'T BE SNOWBOUND!

The New 4-Wheel-Drive Willys Station Wagon Takes You Through When No Other Car Can!

Don't be isolated by heavy snow and ice-glazed roads. Get the car that gets you through when nothing else can—the new 4-Wheel-Drive Willys Station Wagon.

When you shift to 4-wheel drive, you get traction that takes you up slippery grades, cuts down tendency to skid, makes driving safer.

The 4-Wheel-Drive Willys Station Wagon is a car you'll drive the year

round. It rides six adults in roomy comfort and handles easily in 2 or 4-wheel drive. Rear seats are quickly removable to provide 98 cubic feet of space for hauling.

If you live where roads are often blocked or have duties that must not be delayed, the 4-Wheel-Drive Willys Station Wagon is your best assurance of getting through. Let us demonstrate this remarkable new model for you now.

4-Wheel-Drive WILLYS Station Wagon

Also made with 2-wheel drive, 4 or 6 cylinders, overdrive at no extra cost.

A newly organized social club, the "Nightcappers" recently held their first meeting at the home of Mrs. Laura Skoog. Lunch was served. Members present were Mrs. Isabelle Osgood, Mrs. Ruth Haskell, Mrs. Arlene Orcutt, Mrs. Gloria Parker, Mrs. Linnie Smith and Mrs. Skoog.

Mrs. Marie Teele, teacher, is a patient at Knox Hospital.

Miss Muriel Chilles is spending several days in Portland.

The stated meeting of Marguerite Chapter O.E.S. was held Monday, following which a Christmas tree was the feature, all receiving gifts. Lunch was served, the table being tastefully decorated appropriate to the Christmas season, by the committee Mrs. Hilma Webster, Mrs. Beulah Drew, Mrs. Dorothy Lyford, Miss Mary Chilles and Mrs. Cora Peterson.

Mrs. Betty Barton has returned from Tenant's Harbor where she was guest at the home of Mrs. F. James Taylor.

Thomas F. Polk, 64, whose death occurred here Nov. 30 after a long period of ill health, was born in Eastport, son of William and Mary Polk.

For 45 years he had made his home here where he followed the location of fisherman. During World War II he was a first officer in the Merchant Marine and it was during that service that he contracted the illness which resulted in his death. He was a member of Pequot Tribe I.O.R.M. and of Montara Council order of Pocahontas.

He is survived by his wife, Lottie, five daughters, Mrs. Ethel Currier, Mrs. Dorothy Andrade, Mrs. Thelma Gordon, Mrs. Edna Aloisio and Mrs. Priscilla Ames; four sons, Charles, Thomas, William and Kenneth Polk, one sister, Mrs. Jennie Phinney, one brother, Willie Polk, and nine grandchildren.

Funeral services were held Sunday afternoon at the Headley Funeral Home, Rev. Lola White officiating. There were many floral offerings giving testimony of the affection and esteem of friends and relatives. Bearers were members of

Pequot Tribe I.O.R.M., Everett Billings, Melville Smith, Harry Young, and Gosta Skoog. Burial was in the Cummings cemetery.

From out of town to attend the services were M/Sgt. Sam and Mrs. Aloisio, Pontico, Va., Mrs. Jenney Phinney and daughter Marion, Astoria, N. Y., William Polk, S.H.F.N., Davisville, R. I.; Mr. and Mrs. Kenneth Ames, Matinicus; Miss Eldie McDonald, North Haven; and Miss Kathleen Walls, Thomas Polk of Rockland.

Kate Coombs

Mrs. Kate Coombs wife of Fred K. Coombs died Dec. 3, aged 78 years, at her home here after several months illness following a surgical operation.

Mrs. Coombs was born in Rockville, daughter of David and Louisa Tolman. The family later moved to North Haven.

She came to this town when a young girl and made her home here all her married life. She was a member of Marguerite Chapter, O.E.S. and of Lafayette Carver Circle Ladies of the G.A.R.

She is survived by her husband; a daughter, Mrs. Ava Hatch; two sisters, Mrs. Ada Payson and Mrs. Emma Libby; three brothers, William, Percy and Fred Tolman; two grandsons, Kenneth and Kendall Hatch of Portland to whom she gave a mother's care after the death of their own mother; and five great-grandchildren.

Funeral services were held Tuesday afternoon at the residence, Rev. Lola White officiating. Members of Marguerite Chapter O.E.S. attended in a body. Many beautiful floral tributes gave evidence of love and esteem. Burial was in Ocean View cemetery. Bearers were Robert Johnson, Victor Shields, Ralph Claytor, Leo Lane, George Lawry, and Andrew Gilchrist. From out of town to attend the services were Mrs. Maude Brownell, Mr. and Mrs. Kendall Hatch, Portland; Mrs. Everett Payson and son Wendell, Rockland; Mr. and Mrs. Percy Tolman and Mrs. Vinal Hopkins, North Haven.

DUTCH NECK

Spirit Of The Yuletide Season

The toy window so cleverly displayed at the Meredith Furniture Co. expresses the true spirit of the Yuletide Season. The evergreen trees are covered with attractive decorations and the snow interest on the ground, produced by artificial means typifies a White Christmas. At night the window is displayed with the changing rainbow colors by means of a color wheel.

Rev. A. G. Hempstead, Guest Speaker, Discusses the United Nations

The W.C.T.U. met Friday at the home of Mrs. Kate Brawn. Worship Service was conducted by Mrs. Amelia Johnson, on the theme, "Peace On Earth," with Scripture reading, comments, a poem contributed by Mrs. Nellie McKay, and prayer offered by Miss Charlotte Cook. A letter of greetings from Miss Helen York, the Union's oldest member being now 94 years old was read by the secretary.

A program on International Relations was presented by Miss Alena Young, who spoke briefly on some accomplishments of the United Nations in the four years since its founding. She presented Rev. Alfred G. Hempstead as guest speaker. He gave a very interesting and informative talk saying that since the establishing of the United Nations, the problems and troubles of 59 nations had been thrown in its lap for possible solution. It had taken much time to smooth out the hurts and partisan feelings so they could work in some unity, excepting of course the Russian veto—that sought to obstruct every move for unanimity. However, last December at the General Assembly in Paris, 51 nations voted in favor of the Declaration of Human Rights; eight abstained from voting. It will become binding when 20 States have ratified it. This 30-article declaration sets forth the ideals of the United Nations, as a common standard of achievement for all peoples and all nations covering the inalienable "natural" rights, as the right to work, the right to worship, etc.

The more recent North Atlantic Pact of 12 nations for defensive purposes, is the Fire Department of the U.N. There is also the previous Rio Pact between North and South American Countries and a Pacific Pact is being considered.

Mr. Hempstead spoke of being a delegate to a Seminar of Methodist Clergy from 37 States which met in Washington, D. C. They were addressed by several heads of Bureaus on subjects pertaining to the U. N. also by the Ambassadors from Belgium and Yugoslavia, the new lady ambassador to Luxembourg, Mrs. Pearl Mesta, and four Generals.

Mrs. Mildred Havener sang the hymn of the Christian Builders, "We Would Be Building Temples Still Undone."

Three guests from the Thomaston Union, Mrs. Clara Sawyer, Mrs. Wotton and Miss Jessie Stewart were present. The next meeting will be Dec. 23 at the Home For Aged Women.

An American firm has mapped a \$198,970,000 six-year power program for Greece.

"Voice Of The Turtle"

Play By the Knox Theatre Guild Pleases a Critical Audience

(By Kay McDonald)
Off in a smart debut, Knox Theatre Guild submitted its initial performance Tuesday night at Watts Hall, Thomaston, with the ambitious but wise choice, "Voice of the Turtle", erstwhile veteran of Broadway boards.

Amorous adventures in entertaining a GI during week-end furlough in Gotham, made for hilarity and fiery acting, achieved smoothly and with the deft certainty which sufficient rehearsing assures. A buoyant audience filled the floor, unmistakable evidence of the county-wide interest in competent dramatics; nor were they niggardly in response, for lines clicked and laughs were instantaneous.

An eye-opener set of duplex utility provided living room and kitchenette in a single ensemble—master work of decor and stagecraft designed by Malcolm Pierson. The care and thought expended in the details of this production reflect the earnestness of its director, Almon B. Cooper and his industrious corps and would appear to indicate more than a transitory concern in this venture. Promising is the word for it.

Capering through a long, hectic role, Greta Nelson put in some endurance work and frequently ascended in flights of grandiose fantasy. Supporting her nobly, Eugene Jellison pleased, amused and wholly satisfied. His casual mannerisms were an accomplishment in nonchalance, this pantomime at times being far superior to his vocal delivery. As the heavy sophisticate, Dorothy Borgerson commanded attention by tonal effects and carriage; these she played to the hilt, sharing honors with her striking costumes from Savitt's and Lucien K. Green & Son.

A dash of super humor was enacted in a scene wherein breakfast traces were hurried and scurried off of sight in frantic haste to attain propriety ere answering the door bell. Funny—it was as provocative of mirth as any professionals could ever hope to attain—positively tops.

Transition of time between scenes was effected novelly by the lowering of lights and musical recordings. It was niceties such as these which gratified and intrigued the attendance into a taste for more of similar vein.

Stage manager was George Sleeper, assisted by Richard Harden. Mrs. Esther Wolfe, Mr. and Mrs. John Hart-on, Mrs. Nadine Bowden.

Miss Mary Egan, Miss Margaret Barrows, Mrs. June Champlin, Danny Franz, Miss Olivia Bryant, John Chisholm and Otis Gray.

Publicity was under direction of Miss Betty Seekins; properties, Mrs. Otis Gray, Mrs. Bess Gowdy; music, Mrs. Elizabeth Passon; make-up, Mrs. Carl Nelson; prompter, Mrs. William Bicknell; sponsor committee, Mrs. Oliver Holden, Miss Jane Miller; hostess, Mrs. George Sleeper; electricians, Edwin Jones, Neil Novicka.

Albert E. MacPhail provided the kitchen set and Meredith Furniture Co., the living room.

The Knox Theatre Guild's second production will appear in January—"The Male Animal," starring Miss Olivia Bryant and Sterling Morse, with a supporting cast of 12.

The imposing list of sponsors comprises, Miss Christine E. Moore, Mrs. Ruth B. McLain, Mrs. Elizabeth A. McCoy, Mrs. Robert K. Mayo, Capt. and Mrs. J. Edward Marks, Miss Mary E. McPhail, Mr. and Mrs. Leroy H. Norwood, Miss Nellie M. Tibbets, Mr. and Mrs. Willis R. Vinal, Albert White, Mrs. Alec K. Wilson, Robert Walsh, Mrs. William I. Vinal.

Mrs. Harold Whitehill and daughter Charlene, who have been visiting her parents, Mr. and Mrs. B. J. Somers in St. Johnsbury, Vt., were called home yesterday by the death of Mr. Whitehill's mother, Mrs. Harrison Whitehill of Thomaston.

The Shakespeare Society meets at the Farnsworth Museum next Tuesday at 7:30 p. m. for the annual guest meeting. The program will consist largely of music and readings by young people from the Thomaston and Rockland High Schools. Note change of time.

Frances L. Turnbull, daughter of Mr. and Mrs. E. A. Turnbull, celebrated her eighth birthday Saturday, by entertaining several of her little schoolmates and friends at her home, 125 Camden street. The decorations were in keeping with the Christmas season. The prize in the donkey game was won by Aloha Athearn. Those present were Donna Mitchell, Brian Jordan, Aloha Athearn, Harriett Epstein, Marie Gardner, Sylvia Doherty, Carol-Ann Cummings, Pearl Vanvorre, Bert Vanvorre, Billy Eaton, Barbara Barker, and Joan Sewell. Mrs. Turnbull was assisted in serving by Mrs. H. J. Smith and Mrs. Winifred Copeland. Special guests were Mrs. C. M. Doherty, Mrs. Ernest Long and Mrs. Dorothy Harvey.

The Catholic Women's Club held a Christmas party Monday night in St. Bernard's Parish Hall. The older members of the club presented Rev. Fr. Bennett with a complete set of gold vestments as a Christmas gift and a check to Rev. Fr. Goudreau, after which there was a joke Christmas tree. Refreshments were served and a very pleasant evening was enjoyed by all.

Heard U. Of M. Coach Nelson Tells Knox County Alumni Of Obstacles He Faced

The Knox County University of Maine Alumni Association met last night at the Thorndike Hotel for a supper and election of officers for the coming year. Featured speakers at the gathering were football coach Dave Nelson of the University and alumni secretary John Sealey.

Samuel Collins, Jr. of Rockland was elected president of the association; Richard Thomas of Camden was elected vice president; Mrs. Lucille Waterman of Camden was named secretary-treasurer.

Coach Nelson reviewed last season's football record at the University and told of the newly established M club scholarship awards. He told members that from his starting 13 men at the first of the football season last year from whom he expected most of the heavy duty, seven were unable to play because of injuries in the final game against Bowdoin.

Sealey spoke briefly of the changes and the present heavy enrollment at the University.

Seated at the head table at the supper were Nelson, Sealey, Mr. and Mrs. Frederick Newcomb, Mrs. Winona Gay and Sam Collins. There were 31 members present.

After the supper Nelson showed movies of the Maine-New Hampshire football game last season.

ANASTASIA-TAUPIER
Lt. Joseph J. Anastasia Assistant Engineering Officer of the 1253d Air Transport Squadron at Westover Air Force Base, Mass., and Miss Gertrude Cecile Taupier of Springfield, Mass., were joined in holy wedlock, Saturday, Nov. 26, at 10 o'clock in the Catholic Chapel of this huge Military Air Transport Service MATS base at Westover Field.

Following the wedding ceremony a large reception was held at the Red Barn in Chicopee Falls, Mass., which was attended by the couples' families and many friends, including many officers and airmen of the 1253d ATS with whom Lt. Anastasia flies the MATS north Atlantic routes delivering thousands of pounds of high priority cargo and thousands of military personnel to the military unit in the European and Middle East theaters of operation.

After the reception the newlyweds, departed for a two weeks' honeymoon. They plan to visit the romantic Niagara Falls and then make a motor trip through Canada. Upon their return the young couple will make their home in Springfield.

The bride is the daughter of Mr. and Mrs. Albert Taupier of 54 Mernyn street, Springfield and Lt.

Anastasia is the son of Nicklos Anastasia of 77 Broadway, Rockland. Lt. Anastasia began his military service in January 1943 by his appointment as an Aviation Cadet and was graduated as a pilot in 1944 as a 2d Lt. from the Advanced Flying School at Santa Ana, Texas. He remained at this cadet flight school for one year after his graduation as an instructor in instrument flying, qualifying cadets as "all Weather pilots."

His next assignment was with a troop carrier unit at Sedalia, Missouri followed by his departure for overseas to the Pacific Theatre in 1946 and assignment with the 317th Troop Carrier Group.

When the Berlin Aircraft came into being in September 1948 the entire group joined this historic operation. Movement of the entire group from Tokyo, Japan to Weisbaden, Germany, a distance of 16,000 miles, was completed in the short time of eight days.

Lt. Anastasia returned to the United States from duty with the Airlift in April 1949 after completing 101 missions to the beleaguered German capital carrying food and coal to its 2,000,000 suffering people.

His assignment to the 1253d Air Transport Squadron with duty as Assistant Engineering Officer will utilize to the fullest his vast experience as a transport pilot and three and one-half years of experience as an Engineering officer.

Why Poole's Team Didn't Win—Lady Luck Plays Strong Hand

If Don Poole had had any kind of support in his bowling efforts Nov. 28 the Ganders would have won another bowling match but with three of his team mates hitting below 240 he just couldn't pull them along with so many feet dragging. Don's 125 in his last string and total of 320 was very good indeed for Cascade Alley bowling and it has the Pirates guessing as to the outcome of the match. Link Sanborn, called in

as a substitute for Peterson filled the bill in grand style and emerged head man, which is not bad for a sub. The Goose was off his usual form and was rather dejected at the close as he felt that if he had been on his usual 90 average the Ganders would have won the match. But that's the way she goes. First you hit 'em and then you don't. Ganders—McDonald 221, Young 225, H. Arey 235, Poole 320, the Goose 254, total 1255. Pirates—Grimes 230, Loveless 247, Anderson 247, Sanborn 285, Shields 267, total 1276. Grindle's Grenadiers took another jolt on the chin and in the pocket-book on Tuesday night when they tangled with their sworn enemies.

Smith's Sharpshooters. Apparently a grenade is not the proper ammunition to blast the Sharpshooters with for it seems to scatter all over the place and while the sharpshooters keep picking off the pins the Grenadiers are hitting nothing but thin air. "Old Crow" Johnson was back in there showing the younger generation how it was done and his 295 was head and shoulders above any teammate or competitor. A newcomer to the lineup was "Young Crow" Johnson, who throws a mean ball in his own right, when he gets limbered up. For sentimental reasons some of the bowling fans are saying they would like to see a special match arranged between Old Crow and Young Crow Johnson and Old Hoss and Young Hoss Davis. Father and son versus father and son. Clyde Poole, the struggling Pequoter again bounced back into the cellar but he swears he won't stay there long and will yet trim some of those other Pequoters who give him the merry ha-ha. Bruce Grindle says they have so many Legion bowlers available, he is considering making up an offensive team and another one to put in when they are on the defensive.

Clint Smith counters with the remark that no matter what kind of a team Grindle made up it would still be an "offensive" team to him. Grindle's Grenadiers—Grindle and Hood 238, Webster 236, Poole 211, McHeenan 244, Robert Johnson 230, total 1159. Smith's Sharpshooters—Smith 260, York 235, V. Johnson 295, Bunker 235, N. Johnson 252, total 1277.

The Poor Red Man
The Red Men were again forced to bite the dust kicked up by the fast traveling Palefaces as they were ambushed again in the Cascade Alley Wilderness last Tuesday night. With P. Barter, the wild man from around the Mountain only bowling a 202 the Red Men were a long way from the

land of plenty, but very close to the land of grief. The Palefaces did nothing spectacular, but they did not have to. All the needed to do was coast along and capitalize on the mistakes of the Red Men. "Sparky" Adams was right in his element with a bunch of wild Indians and did a pretty good job for them too, serving as a sub-Hamilton, another steady bowler was a Redskin for a day and emerged as high man for the evening. Although the challenge posted by the Palefaces and directed at the Ganders has been on the wall of the Cascade Alleys for a couple of weeks now nothing seems to be done about it, and the Palefaces are beginning to hint, and some of them really to think, that the Ganders are a bit shy about taking them on. What did you say Goose?

The score:
Red Men—F. Dyer 254, Barter 202, Snowdeal 245, Adams 259, Hamilton 282, total 1242.
Palefaces—S. Davis, Sr., 274, S. Davis, Jr. 249, Littlefield 258, Conway 253, Oakes 250, total 1294.

It was hard luck night for the Pirates as they tangled with Wymie's Worms last Friday night and with the Worms getting the lucky breaks they crawled all over the Pirates to again get within striking distance of the leading Ganders. It seems that the bowling cycle in this league has been that the Wymies beat the Pirates, the Pirates beat the Ganders and the Ganders beat the Wymies, so that the Pirates and Ganders are tie with five wins and five losses each, while the Wymies inch along behind with 4 wins and 5 losses.

Speaking of hard luck Hen Anderson was the best jinxed man of the evening when rolling off a strike he clipped off the head and quarter pins with his first ball and then took out the other quarter pin with his second, getting three on his strike and four in the box. He got that head and quarter pin break again later in the evening. With

the Wymies copping the first two strings and going strong it looked like a walk away for them, but in the last string they came near blowing their 32 pin lead and saw it whittled down to about eight pins, when Lady Luck stepped in and smiled on them with three lucky spares and they won the match, although losing the last string.

Link Sanborn and Capt. Guilford carried the ball for the Wymies while Pete Peterson was head man for the Pirates. Captain Vic Shields who generally is up with the top men did nothing but punch holes in the pins all evening and his hard luck lasted longer even if it wasn't quite as spectacular as his team mate Anderson's. Captain Grimes, former general manager of the Skippers has let it become known that there will be a Bowlers' Ladies' Night very soon when the members of the Three I. League will entertain their ladies and a supper and social evening. It is rumored that if the Cap gets to recounting some of his great deeds on the alleys there are a couple of the ladies prepared to challenge him and show him that women can bowl as well as men and better than some. Score:

Pirates—Bickford 243, Anderson 242, Peterson 276, Loveless 259, Shields 254, total 1274.
Wymies—Grimes 222, Drew 252, Sanborn 286, Rae 250, Guilford 291, total 1301.

PORT CLYDE

Visitors the past week at the home of Mr. and Mrs. Walter Simmons were Mr. and Mrs. Ross Howes, Mr. and Mrs. Frank Thorndike of Camden, Mr. and Mrs. Everett Prescott of Union, Mrs. Maude Stuart of Tenants Harbor and Mr. and Mrs. Herbert Melquist and two sons.

COOKING SCHOOLS AT STRAND

Martha Logan, nationally-known home economist for Swift & Company, will present a series of two cooking schools at the Strand Theatre on Thursday, Dec. 15 and 22 at 1.15 p. m., according to Manager L. J. Dandeneau.

"Easy Does It" is the title of the first day's school featuring effort-less main meal fare to please and delight family and guests. Dessert suggestions include a festive Apple Cheese Pie made with a heart-shaped sweetheart cake and home-made pastry mix. First day's main course suggestions will be dramatically highlighted with a party platter of Table Ready Meats, garnished to make it an eye and taste appeal triumph.

A completely different program titled, "Fascinating Foods" is scheduled for the second, Dec. 22, school. Christmas cookies, quick-mix Checkerboard Cake, Apple Fritters and a score of tempting main meal suggestions will be included in the program. As a further aid, every woman in attendance will receive complete recipe information for every dish prepared in order that she may duplicate the cooking school results in

college, and club groups. Television too, is used by Miss Logan in bringing help to the American homemaker in better feeding her family. She serves planning divisions of the company on the woman's viewpoint.

In private life, Miss Logan is Ruth Swickard, of Boston. She is a graduate in Home Economics of Purdue University, Lafayette, Indiana, and is a member of the National Home Economics in Business branch of the American Home Economics Association.

At each of the two sessions there will be awarded prizes of food baskets, and at the final session on Thursday, Dec. 22, the grand award presented by the Meredith Furniture Company of Rockland of an L.H. Electric Automatic Range, now on display in the Strand Theatre store window, will be given away free, so plan now to attend each session Dec. 15 and 22 at 1.15 p. m. which will be followed by the regular showing of pictures which is included in the admission price. The screen attraction for the first session Dec. 15 is an excellent one in "Adam's Rib" with Katherine Hepburn and Spencer Tracy.

THAT'S YOUR BUDGET NUDGING YOU

LOOK this tidy Buick over—and you may hear a still small voice saying "go ahead—get it!"

If so, don't think it's mere ambition urging you to splurge.

The simple fact is that this lively fashion setter is not only a car straight from your rosiest dreams, but a brawny straight-eight Buick that practically any budget can handle!

Match prices—and you'll find that many a six costs you more than this does.

Boil it down to costs per pound—and poundage in a car often means more durability and longer life as well as smoother riding—and you'll find this one right down among the so-called lowest priced cars.

Figure your investment over the extra years you'll be happy in a Buick—check the used-car listings and see how Buicks hang onto their resale value—and you'll see the wisdom in buying a better car to begin with.

And just figure how much more automobile you're getting here.

The extra value of Buick's own Fireball valve-in-head straight-eight power.

The bump-smothering gentleness of soft coil springs on all wheels, both fore and aft.

The roominess of Buick's king-size interiors—the lightness of Buick controls—the new parking and garaging ease of traffic-handly size—

And that completely different and distinguished look of Buick's tapered fenders, sleek jet-plane lines and the sturdy, shock-deflecting protection of that bold new front-end design.

So go ahead and listen to that still small voice. It's your budget, nudging you to go get the actual figures and replace guesses with facts.

The place to go is your Buick dealer's—and if you want to travel like fortune's favorite, the time to sign on the dotted line is now!

TEN-STRIKE!
Only Buick SPECIAL has all these Features:

TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLOW DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORE AND AFT • SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISHER

AS SHE SEES CONGRESS

Mrs. Smith Gives Her Second Review Of What's Going On In Washington

(Second Installment)

Foreign Policy.

In his inaugural address (Jan. 20, 1949) from which the Fair Deal emanated, President Truman outlined four main courses of action for our foreign policy: (1) support of the United Nations and related agencies; (2) continuation of programs of world recovery, such as the Marshall Plan and the Reciprocal Trade Agreements program; (3) strengthening of freedom-loving nations against the danger of aggression; and (4) aiding the development of economically underdeveloped areas by means of technical assistance and capital investment on a co-operative basis—the so-called Bold Point Four Program.

The third course of action was later supplemented by the ratification of the North Atlantic Treaty and the enactment of the Military Assistance Program.

The Fair Deal score on Foreign Policy is impressive—but mainly because of the bi-partisan policy in Congress. No real opposition has developed to any of the President's requests on Foreign Policy.

Nearest approach to Republican opposition to any Administration proposal was the solid Republican vote in favor of the "peril point" amendment to the Reciprocal Trade Agreements bill. The Fair Deal won on this fight and the Republican lost by a vote of 43 to 38—principally because eight Republican Senators who were for the "peril point" amendment were absent and failed to vote.

Congress took no action on the President's "Bold Point Four" program. But that is not a defeat for the Fair Deal because President Truman has not yet pressed for action on this objective. When he does I would expect some opposition on the grounds that we shouldn't give our American industrial "know how" and financial help to create cheap labor, low cost Frankenstein-like industries to compete against our high wage labor. There is a definite feeling that the only way that we can meet the competition of cheap-labor imports and progressively reduced tariffs is by mass production ability that the other countries do not have.

On the whole, the Fair Deal program on Foreign Policy has fared

well—but only because of the bi-partisan policy adherence by the Republicans.

The Fair Deal Summarized

To summarize on what's happened to the Fair Deal, I would use the boxscore system of baseball. The Fair Deal has scored heavily on Housing getting practically 100% of its six major objectives, registering a loss only on Rent Control dilution. So credit Housing with five runs, six hits and no errors.

On Foreign Policy, the Fair Deal has scored heavily and hasn't lost on a single issue—but only with several assists from the Republicans. So credit Foreign Policy with 3 runs, several hits, no errors—and several assists from the Republicans.

But there the good part of the Fair Deal score stops. On Agriculture, certainly the Farm bill that was finally passed was not a "Fair Deal" bill. The Brannan Plan thus far failed. The Fair Dealers have quarreled too much among themselves. So credit Agriculture with no runs and no hits.

Unless the action on the 75 cent minimum wage bill can be interpreted as accomplishing a gain, the Fair Deal score on Labor is zero. Some observers say that the increase in the amount of the minimum wage is offset by the number of workers removed from the coverage of the law.

I would be more inclined to rate the Labor part of the Fair Deal program on the proposed repeal of the Taft-Hartley Act. On that the Fair Deal shows no runs, no hits, and one big error. That error was the refusal of President Truman to compromise even though Labor itself was willing to compromise.

The same scoring of no runs, no hits and one big error applies to the Fair Deal tally on Civil Rights.

On taxes the Fair Deal score is no runs, no hits and one big balk. The balk is the President's complete reversal within six months from proposing increased taxes to

opposing increased taxes to back to favoring increased taxes. In football, we would say that the Fair Deal has reversed the field on taxes at least twice.

On Education, the Fair Deal has scored no runs and only three hits—the three hits being the bills passed by the Senate with the assistance, if not the leadership, of the Republicans. On Social Security, the Fair Deal got a hit in the House with the passage of the expanded Social Security bill, but that bill will be left stranded on the bases this year because of Senate inaction when the Congress recesses.

All in all the Fair Deal has actually scored only when the Republicans gave support—Foreign Policy and Housing. That is even true of the hits that it made on Education, Social Security and Agriculture.

But the Fair Deal will have another time at bat before the game is over and the 81st Congress comes to an end—it will have its inning next year. And it will score some more runs which it should on measures that transcend politics, political parties and political differences.

TIGER COURT SQUAD LOOKS GOOD

In Hard Game Against Lawrence Tuesday Night; Jayvees Took Prelim Game

Rockland dropped a hard-fought game to Lawrence High of Fair- field Tuesday night at the Com- munity Building gym by a score of 55-48. Paced by fast moving center Roland Ware the Tigers made it a scrap from the starting whistle to the last.

The improvement in the team over last year's outfit was more evident than in the Thomaston game of last week as the Rocklanders held down the Lawrence aggrega- tion, which is the same outfit which blazed a victory path on the courts last year.

Going out of the first quarter, Lawrence led 17-12 and was ahead by a single basket at the half with a 28-26 score. Lawrence length- ened their lead in the third to 40-34 and was able to gain only one more point in lead as the Tigers stub- bornly fought it out in the last pe- riod to the final 55-48 tally.

Ware was high point man of the game with 20 points gathered with seven baskets and six foul shots. Whitten of Lawrence trailed with 13 points and Alex of the Tigers col- lected 11 with five baskets and one foul shot.

The Rockland Jayvees took the Lawrence Junior Varsity 37-20 in a game that saw them lead all the way. They led by a narrow mar- gin in the first three quarters and then poured it on to clinch the game in the closing period.

Going out of the first period, they held a two point lead and managed to enter half rest period with the same margin in a 9-7

score. The third period saw them extend their lead a little to an 18-13 score. The last period, while Lawrence was racking up seven points, the Tiger juniors went out to total 19 points on the scoreboard to take the game 37-20.

STUDENTS VISIT CEMENT PLANT

St. George High School Sophomores Guests Of Lawrence Portland Cement Co. Nov. 30

The Lawrence Portland Cement Company played the host to the Sophomore Class of St. George High School Wednesday, Nov. 30, by con- ducting the students on an inspec- tion of the plant. Harold Kaller and Berton Ervin were very courteous and considerate, and they patiently explained the workings of the en- tire process of cement making.

From the vast open pit, from which the limestone is quarried, the students were conducted to the tower in which the tons of stone were crushed. Following the con- veyor belts through the stages of crushing and pulverizing, the class found themselves at the mixing tank from which samples are taken every hour before the slurry is heat- treated. The kiln was of especial interest, for the warmth of a 3000

degree kiln felt good on that cool day. The loading and the bagging of the finished cement was the last stage that was viewed.

In addition to the tour of the plant, the class was treated to a view of the chemical and physical laboratories where the hourly sam- ples are tested for the qualities that make the Thomaston plant known all over New England.

George Faye, the school janitor, is the only one who was not ex- tremely pleased with the trip—he has been sweeping up all the free samples that were collected as sou- veniers.

Joseph E. Blaisdell and Arthur C. Frieder and two seniors, Lionel Heal and Robert Carter, used their cars to take the students to Thom- aston and accompanied them on the tour.

Letterman's Banquet

Rockland Student Council Honored Football Men And Cheer Leaders

Robert Annis and Chuck Roberts were named as co-captains of the 1950 Rockland High football squad at the letterman's banquet in the school gym last Thursday by Coach Ken MacDougal.

The affair was sponsored by the Student Council with the lettermen of the football squad and cheer leaders as guests as well as Booster Club members.

Sports Editor Jack Moran of the Bangor News was guest speaker of the evening.

Letters were awarded by Mac- Dougal to William McLain, Jack Smith, John Splaine, Chuck Rob- erts, Dean Deshon, Roland Ware, Robert Annis, Dino Galiano, Cedric Long, Richard Baum, Chuck Stev- ens, James Estey, Wesley Hoch, Mark Holt, Sullivan Reed, George Alex, William Legage, Bruce Strat- ton and Edwin Chase. Ware and Splaine were team managers.

Miss Dorothy Salo awarded let-

ters to the cheer leaders, who did a grand job the past season. Re- ceiving the awards were, Pat Mun- ro, Bette Long, Betty Libby, Eunice Pettis, Claire Brickley, Joan Clough, Dea Perry, Joanne Gardner, Marian Lindsey and Beulah Powell.

UNION WINS OVER WALDOBORO

North County Boys Take Lincoln County Crew As Girls Win By Single Point

Union's Court squad, led by cen- ter Buster Knight plowed the Wal- doboro court aggregation under in a 55-34 session in the Union gym Tuesday night.

Knight's 26 points counted heavily as he racked 11 baskets from the floor and counted four from the foul line.

The teams came out of the first quarter in a 9-9 tie which Union broke in the second period to lead 25-16 at the half. They went on to

stretch the lead to 44-25 opening the last period and kept it rolling down to the final whistle.

Buddy O'Dell of Waldoboro was his team's mainstay with 19 points gained through nine floor shots and one from the foul line.

The prelim game was the game of the evening as the lassies of the two schools fought it out down to a 38-37 score at the final whistle with Union holding the slim one point lead at whistle time.

PRACTICE TEACHING AT CAMDEN

Miss Virginia Stevens of Canton, a senior at Farmington State Teachers' College, is now doing practice teaching for six weeks un- der the supervision of Miss Caro- lyn Dudley in the Home Economics Department.

Miss Stevens is very active in college. This year she is serving as an officer of the Home Economics Club, news editor for the college paper and Vice President of the Student-Faculty Cooperative Gov- ernment and served as a delegate to the Home Economics College Club Workshop at the University of

North Haven Honors

The follow- ing students attained high honor or honor rank for the period: High Honors: James Pendleton, Elizabeth Parsons, Mary Louise Baird, Agnes Beverage. Honors: Corinne Dem- mons, Priscilla Mills, Corice Gillis, Eleanor Stone, Elaine Gillis, Jean Wooster, Louise Morrison, Jeanette Hopkins, Ann Grant, Ada Babbidge.

The Showboat Due

Camden Seniors To Stage Musical Production For Washington Trip

The "Showboat" will return to Camden January 26, when mem- bers of the Senior class will stage the musical production at the Opera House.

The show is a fund raising ven- ture for the Washington Trip Fund of the class which will make the trip to the nation's capital during the April vacation.

Details of the program, which contains several new features, will be released shortly.

Assembly Program

Presented By Freshmen At North Haven High En- joyed By All

The assembly program presented on Wednesday afternoon by the freshmen was enjoyed by all upper classesmen. A dialogue was given by Ann Grant and Ada Babbidge, a cornet duet by Mary Lou Baird and Dennis Brown, and a harmonica duet by Fletcher Burgess and Eli- ott Brown. Jokes were read by Jim- my Brown, Bodine MacDonald and Betty Parsons.

Last on the program was the song "The Red Patch on My Trousers," by Jimmy Fletcher, Elliott and Dennis. Agnes Beverage was mis- tress of ceremonies.

NOTES FROM ALL SCHOOLS

St. George—The following sev- enth grade students received A and B rank for the second ranking period: Jeanne Cook, Dianne Hup- per, Daphne Pendleton, Ronald Stone. Eighth grade: Patricia Benner, Robert Boylan, Sandra Simmons and Ida Wilson.

Thomaston—The Glee Club and Orchestra are preparing for the last assembly.

Camden—Twelve 24-bar boxes of candy have been contributed by the high school students for the veterans at Togus.

Rockland—Jacqueline Grispi and Jeanne Merrill worked in the office of the South School during the past two weeks. Ruth Mahoney is working in the superintendent's office this year.

Camden—The basketball season opened last Friday, and the girl's team is off to a good start, having won their first league game with Lincoln Academy—score 44-25. The boys were not so fortunate, how- ever; they lost to Lincoln by five points—score, 42-37.

Thomaston—The Senior Class has accepted a plan proposed by the Lions Club in which the Seniors have already started collecting for the Boy Scouts' Drive which started Dec. 1, and will continue through Dec. 15. The money earned by the Seniors will greatly help their class trip this coming Spring.

Rockland—The girls' basketball game with Appleton, scheduled for Friday night, has been set ahead to Thursday.

St. George—On Nov. 23 the

pupils of the seventh and eighth grades of Tenants Harbor gave re- ports on Thanksgiving while their voices were being recorded. Rev. Earl Hunt, of the Tenants Harbor Baptist Church played their voices back.

Camden—Newly elected officers of the Student Council are Presi- dent, Alfred Eaton; vice president, Milton Christie; secretary, Chris- tine Plaisted.

Thomaston—Edith Hunt, Joan Young and Marilyn Maxey of the Senior Class are making plans for entertainment of the Shakespeare Society for their opening meeting, Dec. 13, at the Farnsworth Memorial Rockland.

Camden—The Christmas Ball giv- en by the Senior class will be held at the Opera House, Dec. 23. Every- one is invited to attend the ball, and enjoy the music of the Moody Bros. orchestra. The proceeds will be added to the senior Washington Trip Fund.

North Haven—The high school participated in a song recital given by Mrs. Austin Joy in the Baptist Church, Monday.

Thomaston—Junior Prize Speak- ing semi-finals started Monday and continued through Tuesday morn- ing. Finalists will speak at Watts Hall, January 12.

Camden—Have you seen the 1949-50 Basketball Schedule? If not, why not purchase one of those pencils on which the schedule is printed. They can be obtained from any senior.

North Haven—The Christmas

cards have arrived, and are being delivered by the Seniors.

Thomaston—The Junior High Bus Line League got off to a good start Dec. 1 with Thomaston taking the Rockporters 28-26 in a game that saw them separated only two points at the quarters all the way. Eaton scored 18 for Rockport and Gordon 12 for Thomaston.

Camden—Why not brighten up your Winter coat with a boutonniere of holly? The seniors will receive a shipment of holly on Dec. 12, and you may purchase the holly from any of them after that date.

Thomaston—The Seniors ordered their class pictures last Wednesday morning. All pictures will be de- livered by Christmas.

Camden—On Tuesday, Nov. 22, the C. H. S. girls defeated in a practice game the Rockland High School girl's team with a score of 32-42.

Thomaston—Preparations have been started on the Junior Sea Breeze; members of the Senior class are selling advertising for the annual.

Thomaston—The girls' basketball team recently elected Dot Crute, captain and Bobby Mayo, co-cap-

tain.

Thomaston—The Seniors held a very successful food sale last Sat- urday. A cake made by Mrs. Ar-lene Spaulding and decorated by Mrs. Betty McChesney was won by Mrs. Clara Burton.

T.H.S. girls' team was easily de- feated 48-28.

Waldoboro—Waldoboro High School girls put down Union girls last Friday night with 38 points to their 22. Faye Winchenbach was high scorer for Waldoboro, and A. Moore for Union.

On Tuesday afternoon a short rally was held with the junior varsity cheer leaders in charge. These girls, lead by Margaret Grispi, made their initial appearance. They were: Shirley Nelson, Maude Nelson, Louise Allen, Amanda Toocill, Patricia Bisbee, Judy Campbell, Christine Roberts, and Sylvia Davis.

Captain Bob Annis told a very clever story. David Bird urged the students to support the team, and Coach DiRenzo pledged 100 percent co-operation of the members of his teams and asked the same from the student body.

ROCKLAND GRADE SCHOOLS

Grade 1, Mrs. Parsons
We are busy preparing for our part in the P.T.A. Christmas program. Several children have brought lovely Christmas records for us to enjoy.

All the children seem to be moving ahead well in number work. Last Friday we had Mrs. Boothby for a visitor in our class. One half of the class is out with mumps. We shall have more news when they return.

Grade 1, Miss Tillock
We have been making Christmas drawings. Robert Brewer made a very interesting one of Santa and his reindeer.

The children are working hard on their pieces for the Christmas program.

We had Mrs. Leach as a visitor on Monday. Her room was being used as a voting place at the McLain School.

Most of the children who had mumps have returned to school. Barbara Bohn is in the dancing class which will appear at our Christmas party.

Grade 2, Mrs. McLellan
Short stories have been read during opening exercises by Richard De Mass, Kathryn Argyle, Caroline Chatto, and Karen Beal. These stories are very much enjoyed by the class.

Mr. Caravino gave us some new books for our library table which we are all enjoying.

During "Book Week" each one brought a favorite book to display on the reading table. The "Farm Booklets" we displayed Education Week were very attractive.

Margaret McClure brought a plant in an attractive container. During our art lesson with Miss Hutchins this week we learned to make some very pretty fruit baskets.

We are preparing for a Christmas program to be presented at the P.T.A. next Monday night.

Grade 2, Miss Russell
Katherine Yetman has gone to Norfolk, Virginia for the Winter. We hope she will return before school closes in June.

Randall Achorn, Alvin Chase, Deane Cuccinello, Ronald Hill, Kendall Merriam, David Barstow, Jean Mosher, David Morey and Mildred Staples have had the most perfect number papers during the last month.

The birthdays to be celebrated in the month of December are those of Mildred Staples, Alvin Chase and Louise Achorn.

We welcomed Robert Rich to our grade last week. He came from New Bedford, Mass.

Grade 3, Miss Kimball
Our visitors during National Education Week were Mrs. Leola Hyland and Mrs. Mae Perry. James Tinker from Quincy Point, Mass., is a new member of our class.

Flavilla Billings and Arnold Brewer have the most recent class.

St. George Freshman Leaders

Leaders of the Freshman class at St. George High School in Tenant's Harbor are shown above. Left to right are, Secretary Joan Wilson, Treasurer Wayne Smith, President John Lantz and Vice President Stanley Stone.

SENIOR PLAY COMMITTEES NAMED

For "Wings Of the Morning" To Be Shown At Rockland High School Jan. 11 and 12

The business committees for the Senior class play "Wings of the Morning" have been named by Miss Dorothy Salo of the faculty who is coaching the production.

The play will be presented in the High School auditorium Wednesday and Thursday evenings, Dec. 11 and 12.

Richard Jones has been named business manager with Betty Griffith as his assistant.

Heading the ticket committee will be Betty Gamble with Elizabeth Herrick assisting.

The program book committee is headed by Lloyd Wingate with the following assistants: Janice Koster, Raymond St.

Rockland Post Office, gave a very interesting report to the class and brought forth some important information given them by our postmaster, James Connellan.

GOING and COMING

YOU SAVE MONEY!

Yes, you'll save money going and coming by train because New England's railroads — the Boston and Maine, the New Haven, and the Maine Central — now offer you ROUND-TRIP ticket travel bargains. In many cases you will pay less than you did at former fare prices.

If you purchase a round-trip COACH ticket, good for 30 days, you can ride in coaches anywhere on these three railroads for exactly the same fare that you paid before December 1.

If you buy a ONE-DAY round-trip ticket, for use in a single calendar day, between any two points on these railroad systems, you will pay substantially less than the old rate. On a one-day round-trip ticket you can start your return trip anytime up to 4 AM of the next day.

If you purchase a round-trip PARLOR CAR ticket, good for 30 days, you will pay 10 per cent LESS than you did before December 1.

Only one-way coach fares and sleeping car fares have been increased on these railroads — so it's to your advantage to be with us going and coming — to enjoy round-trip savings on these three big railroad systems serving New England and beyond, to New York City.

MATIC (meaning fully automatic)

-- there's never been anything like Packard

Ultramatic Drive

IMPARTIAL, independent technical observers gave us the idea for the name . . .

They reviewed the basic principles of this new Packard automatic drive . . . heard about the 16-year development and test program behind it. They drove it themselves . . . compared its performance with that of other leading types of drives. Then, out of their own experience, they told us:

"The best way to describe this Packard drive is to say it's the last word in automatic, no-shift control!"

- ★ **New simplicity:** Naturally, there's no clutch pedal. And that's only the first hint of the convenience of Packard Ultramatic Drive! There's nothing new to learn. Just step on the gas, and steer!
- ★ **New smoothness, new quietness.** No jerking or "clunking," because there's no gear-shifting anywhere. No "racing engine" sensation, because there's no slippage at cruising speeds.
- ★ **New safety:** No chance of involuntary unexpected "down-shifts," which might cause a prolonged skid on slippery pavement. Packard Ultramatic Drive gives you smooth, gradual engine braking power for safe deceleration.
- ★ **New economy:** Ultramatic Drive saves gas—because there's no slippage at cruising speeds. And thanks to its advanced design, Packard Ultramatic Drive requires no complicated maintenance.
- ★ **More responsive:** No lag, at traffic speeds or highway speeds, waiting for gears to shift. For instant bursts of safety-sprint acceleration—just "tramp down."
- ★ **More positive, more flexible:** Your choice of high-range, or low-range operation—with rapid acceleration, and slippage-free cruising, in each range. Easy shift from forward to reverse. Yes, you can rock the car in snow!

We have been busy making our farm booklets. They are very interesting. Phyllis Bodman brought many farm magazines for us to use.

Phyllis Bodman has told us about their farm, which we plan to visit some day.

Mrs. Parsons' First Grade came to our room Tuesday morning and spoke some pieces for us. We enjoyed this visit and hope they come again soon.

We played "Story Book Land" on Friday afternoon of Book Week. Each boy and girl picked a favorite character and came in costume. We acted several interesting scenes from a book our teacher has been reading to us mornings.

Following are some characters: Heidi, Kathleen Vasso; Peter, Ronald Achorn; Tom Sawyer, Robert Sayward; Huck Finn, Melvin Phillips; Colored Boy, Russell Willey; Lone Ranger, Vincent Carr; Tonto, Melvin Phillips; Jany, Charlene McAuliffe; Mr. and Mrs. Scruggins, Phyllis Bodman and Carol Fairweather; Bob Harrington, Sylvia Solides; Teddy Maloney, Charles Huntley; Ticket Agent, Ron Vardavoulis; Adam Lee, Norman Brehm; Lucinda, Mary Boyd; Grandmother, Donna Rogers; Stage Coach, Sam, Harold Kinney; Brother, Harold Kinney; Geraldine Belinda, Madonna Fog; Billy Bradley, Judith Rackliff; Teddy, Red Rider, Freddy Beal.

Grade 5, Miss Luce

We are very sorry that Suzanne Barstow has been absent due to illness.

Much interest was shown in finger painting last week. Finger painting also has been a new experience to many.

The Junior Citizenship Club had a Thanksgiving program Nov. 23. Those taking part were Fred Rob-

inson, Nina Hanley, Sally Emery, Robert McGraw, Grace Littlehale, Floyd Firth, William Curtis, Suzanne Barstow, Catherine Mailard, Mary Willey, Walter Mosley, Eugene Eagan, Jennie Sukeforth, Lewis Johnson, Beulah Ott, Eunice Barter, Richard Molloy, Joseph Anastasio, Gertrude Robinson, Ronald Seavey, Cornelia Belyea, Arlene Thorndike, Constance Beal, and Julia Nasen. Richard Trask was chairman.

Richard Molloy was invited to do a science experiment in some of the other grades in the building. We are very proud of him.

Grade Six, Mrs. Spring

Dorothy Smith has been in charge of opening exercises this past week and Richard Sayward has taken care of lunch money.

Some excellent pictures to illustrate our reading lesson have been made by Peter Joseph, Carol Eaton, Richard Sayward, Donald Mosher, Mary Gispil, Robert Davis, Robert Curtis and Lewis Spyrow.

We enjoyed our finger painting lesson.

Sandra Harriman and Dorothy Smith are acting as our librarians.

Grade Six, Mrs. Hamilton

The class had a short Thanksgiving program Nov. 23 with the other sixth grade. Our room had a play. One of the pupils in the other grade gave a reading. The committee in charge of the play included Robert Merriam, Yvonne Withington, and Carolyn Snow. The children who took part in the play included Willis Kinney, Evelyn Philbrook, George Phillips, James Dinsmore, Dana Merrill, and Nathan Beal.

The Sixth Grade has purchased a second hand victrola. They are hoping to learn some folk dances during their gym period when they are unable to go outside for gym.

We had a short period Friday afternoon discussing our hobbies.

We wish to thank Douglas Powell for displaying to us his collection of banners that he has collected throughout the U. S. and Canada.

While studying India, Egypt, and China the children made some good looking free hand drawings of the three countries. Shirley and Nathan Beal were chosen as having the best drawings.

We have exchanged our public library books with the other sixth grade and will keep them until after the Christmas holidays.

THE LUCKY STRIKE LEAGUE

Real Battle In Fourflusher Class—Rockland Shellites Cinching First Half

(By Joe Talbot)

For the first time in the history of the Ladies Fourflusher League, a real battle is in progress with all four teams taking turns knocking each other around. The Diamonds have a slight edge at the moment in spite of a four-point loss to the rapidly improving Clubs "Gin" Heal bowled way over hers' and everyone else's head, to emerge with

have been: Carolyn Bray, Joan Duncan, Evelyn Naum, Shirley Benner, Mildred Perkins, and Kenneth Thompson.

Shirley Benner has joined our class. She moved from South Thomaston two weeks ago.

June Carroll has moved to Montville.

Sylvia Doherty and Margaret Sawyer were on the Seventh Grade Club program committee this past week. Victoria Anastasio and Ruth Whitman are on it for this week.

Nov. 29 we went to the music room to see a movie. There were movies on New England, Washington, D. C., Grand Canyon National Park, and Yosemite National Park, and there were also two pictures with songs.

Mildred Perkins and George Ott are in charge of room decorations this week.

Last week we saw a movie called "Holiday."

The eighth grade has completed their science booklets on weather. The South School basketball team will play their first game at Waldoboro on Tuesday.

308 with "Hammering Hank" Bohn-dell coming through with a 113 single and 269 total to top the yachtmen.

The Aces are holding a fairly safe lead in the Speed League with the "hard luck" boys catching the All Stars on an off night and pinning a five-point defeat on them. Leon "Ace" Melvin had hard luck but managed to squeeze out a 316 total to pace the win. "Kerosene" Colwell and G-Man Clayler tied up with 293 totals to lead the Stars.

The Lucky Strike A's climbed into second place over the Clippers. Four points for the A's, one point for the erratic Clippers. "Meat Hook" Bagley went to town with a 350 total and a single of 133. He was strongly supported by Capt. "Fireball" Lindsey and Melvin Leach who had totals of 334 and 320 respectively. "Anchor Man" Richards and Fran Perry teamed up very well for the losers, each man notching a 321 total.

Bunny Young's Independent League wound up the full week of activities with a win for the Rockers over the Rangers and an upset

victory for the Giants over the league leading Lucky Strike B's. Joe Boldus paced the win for the Giants with a 294 total and was helped along by Blanchard's 118 single and by Clair Heal's 117. Eddie Ames bowled very well for the B's to set up a 303 total.

Captain Young again came through with a nice 319 total to lead the Rockets to a clean sweep over the Rangers L. Smith (Smitty to you, Bub) hit a 294 total to lead the losers.

Lot of activity at the Coffee Shop these days. The Knitsum Sewsum Gossips Club held their first meeting of the season Saturday evening. Bunny Aylward Kuhn poured.

A few years back, on Pearl street, the "Pearl street Skunks" were the talk of the town. This year, different and more dangerous animals have invaded the serenity of this very same street. Wolves. Things I miss the most this year: Ronnie Freeman's three way sporting boots.

The Camden girls (and I use the term loosely) played host to a band of stalwarts from Skowhegan, Sunday evening a previous defeat by severely drubbing the visitors by a total of 155 pins. Camden won every string as Gianina Ames and Benny Whittier bowled exceptionally fine totals of 481 and 478 respectively. Margaret Colwell finished strongly to post a 464 total and had the high single of the afternoon with 113. Whittmore of the visitors went well to lead with a 442 total.

Come over to the alleys next Sunday afternoon and evening. Something going on all the time.
